

Thinvent Monitor

T241DHS (23.8 Inch)

For an Upgraded Computing Experience

Slim, Sleek and Durable

Thinvent's T241DHS Monitor is 23.8" with an HD display and it comes with 1920*1080 resolution. These monitors are engineered to operate in demanding environments where regular consumer-grade monitors would be vulnerable to damage or failure, that is it can also be used as an Industrial rugged Monitor.
