

Thinvent® Aero Mini PC, Intel® processor N95 (4 core, up to 3.4 GHz, 6 MB cache), 16GB DDR4 RAM, 128GB SSD, 12V 5A Adapter, No WiFi, Thinux™ Embedded Linux

SKU: [Aero-95-16-S128-12\\_5-X-Thinux-0](#)

Unleash Compact Power and Streamlined Performance

## Processing

|             |        |
|-------------|--------|
| Main Memory | 16 GB  |
| SSD Storage | 128 GB |

## Audio

|                   |   |
|-------------------|---|
| Front Speaker Out | 1 |
| Front Mic In      | 1 |

## Connectivity

|               |   |
|---------------|---|
| Front USB 2.0 | 4 |
| Front USB C   | 1 |

## Power

|              |                                              |
|--------------|----------------------------------------------|
| DC Voltage   | 12 Volts                                     |
| DC Current   | 5 Amps                                       |
| Power Input  | 100~240 Volts AC, 50~60 Hz, 1.5 Amps maximum |
| Cable Length | 2 Metre                                      |

## Environmental

|                       |                              |
|-----------------------|------------------------------|
| Operating Temperature | 0°C ~ 35°C                   |
| Operating Humidity    | 20% ~ 80% RH, non condensing |
| Certifications        | BIS, RoHS, ISO               |

## Physical

|                      |                       |
|----------------------|-----------------------|
| Dimensions           | 198mm × 187mm × 40mm  |
| Housing Material     | Steel and ABS Plastic |
| Housing Finish       | Powder Coated         |
| Housing Colour       | Black                 |
| Net and Gross Weight | 1.49kg, 1.49kg        |

## Operating System

|                  |                                                                                                                                                                                                                                                                                                                                                            |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Operating System | Thinvent® Thinux™ Embedded Linux                                                                                                                                                                                                                                                                                                                           |
