

Thinvent® Uno 21.5" All in One PC,  
Intel® processor N95 (4 core, up to 3.4  
GHz, 6 MB cache), 16GB DDR4 RAM,  
1TB SSD, 12V 5A Adapter, No WiFi,  
Thinux™ Embedded Linux, Fixed Stand

SKU: Uno22-95-16-m1024-12\_5-X-Thinux-F

Experience Seamless Simplicity: The  
Thinvent® Uno All in One PC

## Processing

|             |         |
|-------------|---------|
| Main Memory | 16 GB   |
| SSD Storage | 1024 GB |

## Display

|               |                                |
|---------------|--------------------------------|
| Screen Size   | 21.5 inch                      |
| Resolution    | 1920 × 1080                    |
| Brightness    | 250 nits                       |
| Viewing Angle | Horizontal 178°, Vertical 178° |
| Camera        | Pop up, 2 Megapixel            |

## Audio

|          |             |
|----------|-------------|
| Speakers | 2 × 3 Watts |
|----------|-------------|

## Connectivity

|              |   |
|--------------|---|
| Side USB 2.0 | 2 |
|--------------|---|

## Power

|              |                                              |
|--------------|----------------------------------------------|
| DC Voltage   | 12 Volts                                     |
| DC Current   | 5 Amps                                       |
| Power Input  | 100~240 Volts AC, 50~60 Hz, 1.5 Amps maximum |
| Cable Length | 2 Metre                                      |

## Environmental

|                       |                              |
|-----------------------|------------------------------|
| Operating Temperature | 0°C ~ 35°C                   |
| Operating Humidity    | 20% ~ 80% RH, non condensing |
| Certifications        | RoHS, ISO, BIS               |

## Physical

|                      |                                        |
|----------------------|----------------------------------------|
| Stand                | Fixed                                  |
| Dimensions           | 490mm × 378mm × 55mm                   |
| Housing Material     | Aluminium alloy, steel and ABS Plastic |
| Housing Colour       | Black                                  |
| Kensington Lock      | Yes                                    |
| Net and Gross Weight | 7.90kg, 7.90kg                         |

## Operating System

|                  |                                                                                                                                                                                                                                                                                                                                                            |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Operating System | Thinvent® Thinux™ Embedded Linux                                                                                                                                                                                                                                                                                                                           |
